

**On the 29th I went to Garnet Blvd to do some shopping in the morning and stopped at the beach to shoot the already filled sky from the early morning spraying.**

**In the Staples parking lot I saw a sprayer with one of those dark lines next to the white. I don't know what it is. I thought it was a shadow or something.**

**In the Home Depot parking lot I shot one of those sawtooth trails and then got that incredible ring around the sun.**
